Studio 187 LLC

Custom Machine Embroidery

Studio 187 is owned and operated by an accomplished embroidery artist with many years of experience in both textile work and computer engineering. This unique combination of talents ensures that your order will be timely completed by a skilled technician possessing a critical eye for detail, and a creative passion for the fine art of stitchery.

Embroidery is completed on Melco Amaya XT industrial embroidery machines. The same machines used by well known garment manufacturers and resort chains.

Personal customer service from start to finish.

QUALITY WORKMANSHIP

NO MINIMUMS

NO MACHINE SETUP COSTS

FAST TURNAROUND

HOW IT WORKS:

Order a blank item to embroider or monogram

- Shop online at www.studio187.net.
- Email inquiry to geri@studio187.net.
- Call (856) 296-4944 for help finding an item.
- BYOG – Bring Your Own Garment

Choose a design

- Submit your logo or design.
- Select a stock design from the website.
- Decide on placement.
- Select colors or let Studio 187 choose for you.

A price will be quoted before order is placed so you know exactly what your cost will be. Below is a general pricing table for embroidery costs and do not include the price of your blank item.

Pricing for Embroidery

Qty of items	1-2 pcs	3-24	25-47	48 +
Monogram	15.00	6.00	5.50	5.00
Sm Design	15.00	8.00	7.50	7.00
Lg Design	40.00	35.00	34.00	33.00
BYOG @ piece	2.00	2.00	2.00	2.00

Pricing is approximate only. Actual pricing is determined by final stitch count and size, and quantity of pieces ordered. Additional costs may be applied for logo digitizing, special thread color, stock designs, and special finishing/difficulty factors. Call the studio with any inquiries.

COMPETITIVE PRICING

Studio 187 is priced at the industry standard.

NO MINIMUMS

Order one or 500 pieces – the more you order, the more you save but there is no minimum requirement.

NO SETUP CHARGE

Studio 187 never charges for machine setup time, regardless of the order amount.

DIGITIZING

Your design or logo is digitized by a skilled embroidery digitizer. Cost for digitizing a logo or design (approximately 4-inches) is \$100 which includes a sewout sample and any revisions. Designs or logos larger than 4-inches are quoted separately. To have your logo or design digitized, a digital image is required.

DESIGNS

Stock embroidery designs are offered for sale online and through Studio 187. Use any search engine with the keywords “embroidery designs” or “monogram designs” and you’ll be amazed at the huge selection offered. Several popular sites are linked from the Studio 187 website for your convenience. Pick one or group several together for a unique look! Geri encourages creative ideas.

Designs can be scaled 20% either way in size, and colors can be changed to your personal choice. Add a stock design to your company name and create your own personalized logo. Be creative!

Embroidered items are a beautiful way to draw attention to your business. It’s also a fun way to show your personality. Don’t wear someone else’s name on your clothing. Create your own look that expresses you.

Studio 187 offers a wide selection of items that can be embroidered. Convenient online shopping is available for apparel, totes, jackets, caps and much more.

Like to sew? Studio 187 will embroider your pre-assembled item then you can sew it. All those beautiful embroidery designs are now available to you without having to purchase expensive sewing embroidery machines. Like to quilt? Add some embroidery to it with help from Studio 187.

Personal attention is given to each customer from start to finish, ensuring a finished item you will be proud to wear, offer for resale, give as gifts, and decorate your home.

Studio 187 is like having your personal embroidery department ready at a moment’s notice whether it’s one or 100 pieces.

Purchase your apparel and goods directly from Studio 187. Online catalogs are provided on www.studio187.net.

Have a garment that fits perfectly and need your logo or want a design or name embroidered on it? Call Studio 187 and it can be done.
